

**Ragini Vecham – Strategic Digital Marketing Advisor**

# Ragini Vecham

Ragini Vecham is a San Francisco bay area based Strategic Digital Marketing Advisor. She has spent over a decade in providing technology solutions to businesses worldwide, and still prospering ahead to set up benchmarks through her effective leadership and management skills. Ragini resides in Cupertino, California with her family. Ragini Vecham is the CEO of “BotSprint” (<http://www.botsprint.com>) a platform for digital marketers. Ragini has successfully implemented several strategies to increase the revenues and reduce the costs to improve the bottom line.

Ragini Outside of her professional interests, she's interested in mentoring others on how exactly to navigate the overwhelming and sometimes downright confusing minefields of technology mergers, real estate acquisitions, etc.

Also she volunteered for “Guru Shraddha Dance Academy” (<http://www.gurushradha.org/>) where she is providing her services as a board member. Ragini is a social entrepreneur and founder of the nonprofit “Internship4Teens” (<http://www.internship4teens.org>), which leverages technology and social business to connect high school students to work especially in underprivileged communities.
